

## 2nd Meeting of the Network on Transnational Legal and Political Theory

7 February, 2015, Faculty of Law, National University of Singapore

The International Network on Transnational Legal and Political Theory was co-founded by Maks Del Mar, Nicole Roughan, Massimo Renzo and Bas van der Vossen in 2013. The aim of the Network is to encourage and facilitate international discussion and collaboration amongst researchers working in transnational legal and political theory.

The Network plans to host meetings every two years, each time in a different continent.

The inaugural meeting of the Network was hosted by the Centre for Law and Society in a Global Context at Queen Mary University of London on the 7 November, 2013.

In this 2nd meeting, immediately following the conference 'In Pursuit of Pluralist Jurisprudence,' participants will respond to the progress made in that conference on some of the key questions facing transnational legal and political theory, and discuss work in progress from Matej Avbelj, Maks Del Mar, Sumithra Gayathri Dhanarajan and Kevin Walton.

If you are interested in joining the Network, please email [m.delmar@qmul.ac.uk](mailto:m.delmar@qmul.ac.uk).

**Please note that participation in this workshop is by invitation only.**
